## Description :

Prsentation de l'diteurA Haunted House is a 1944 collection of 18 short stories by Virginia Woolf.It was produced by her husband Leonard Woolf after her death although in the foreword he states that they had discussed its production together.Revue de presse" Woolf was an innovator who redefined the novel and pointed the way towards its future possibilities" (Jeanette Winterson)" Virginia Woolf stands as the chief figure of modernism in England and must be included with Joyce and Proust in the realisation of experimental achievements that have completely broken with tradition" (New York Times)" Virginia Woolf was one of the great innovators of that decade of literary Modernism, the 1920s. Novels such as Mrs Dalloway and To the Lighthouse showed how experimental writing could reshape our sense of ordinary life. Taking unremarkable materials - preparations for a genteel party, a day on a bourgeois family holiday - they trace the flow of associations and ideas that we call "consciousness"" (Guardian)Prsentation de l'diteurA Haunted House is a 1944 collection of 18 short stories by Virginia Woolf.It was produced by her husband Leonard Woolf after her death although in the foreword he states that they had discussed its production
