### Description :

Prsentation de l'diteurA rumour has persisted in the vampire world of a dark slayer - mysterious, elusive and seemingly impossible to kill, she is the one hunter who strikes terror into the hearts of the undead. She is Ivory Malinov. Her only brethren the wolves. Long ago betrayed by her people, abandoned by her family, Ivory has lived centuries without companionship or love. She has sustained her sanity by preparing for one purpose - to destroy her greatest enemy. Until the night she picks up the scent of a man, her unexpected salvation. Her lifemate. The curse of all Carpathian women. He is Razvan. Branded a criminal, detested and feared, he is a dragonseeker borne of one of the greatest Carpathian lineages, only to be raised as its most despised - and captive - enemy. Fleeing from his lifetime of imprisonment, Razvan now seeks the dawn to end his terrible existence. Instead he has found his deliverance in the Dark Slayer. In spirit, in flesh and

blood, in love, and in war, Ivory and Razvan are made for each other. For as long as they dare to live. Revue de presse Praise for Christine Feehan and her Carpathian novels The queen of paranormal romance! The one who started it all! The erotic, gripping series that has defined an entire genre. I love everything she does. J. R. Ward, #1 New York Times bestselling author After Bram Stoker, Anne Rice and Joss Whedon (who created the venerated Buffy the Vampire Slayer), Christine Feehan is the person most credited with popularizing the neck gripper. Time Feehan has a knack for bringing vampiric Carpathians to vivid, virile life in her Dark Carpathian novels. Publishers Weekly Red-hot romance and great storytelling...a treat you can't refuse... Thrill-a-minute fantasy with complex characters and a story that captivates from beginning to end.
