Oxycontin he snorts, Valentine lurches closer to finding the truth. Or floating facedown in the Missouri River. Brutally funny, wild, this no-holds barred crime novel reads like Elmore Leonard on meth. Crazy and addictive, you'll want more. Biographie de l'auteur Matthew McBride burst onto the crime-writing scene with his shocking and visceral short stories of bad men and good guns. Now his powerful first novel confirms what noir and crime pros have been murmuring online for months: this guy is the one to watch. McBride lives on a farm in rural Missouri with his wife and a bull named Hemingway. He started writing on the assembly line at a Chrysler plant in St. Louis, where he worked for thirteen years. Now he's a force to be reckoned with as a crime writer. Welcome a new voice that's raw, wild, and completely original.
