Description :

Prsentation de l'diteurThis extraordinary document represents a new form of historical research, and straightens out many open questions and misinterpretations. It takes the form of direct dialogues between a modern researcher and a member of the Qumran Essene community, alive around the time of Christ. The Qumran Essene community has become the focus of ideas about the connection of Jesus' teachings to earlier traditions. This book gives a full description of the nature and purpose of the community, and the birth and upbringing of Jesus and John the Baptist. Also, it gives Essene renderings of Key Old Testament stories, concerning Moses, Ezekiel, Daniel and others, plus startling insights into ancient history. This information is

candid and real, even about the Dead Sea Scrolls, and many Biblical images and statements are corrected and added to.
