Magical'. (I Was A Teenage Book Geek)'[T]his beautifully written novel is already on its way to becoming a Hollywood movie'. (Star Magazine)'This clever story about someone trying to catch-up with a long lost love, will be a hit with fans of Branshares'. (Press Association)A magical, suspenseful, heartbreaking story of true love... (American Saturday)My Name is Memory is a captivating, open-ended story that begs for a sequel. I'll be watching for it.
